#### EDUCATION

North Carolina State University – 1 year  
in Agricultural Program (1967)

Red Springs High School, Red Springs,  
NC (1966)

#### LICENSING

North Carolina Public Utilities & Heavy  
Highway (1989)

#### WORK EXPERIENCE

##### **McArthur Construction Company, Lumberton and Charlotte, NC – 1986 to Present**

Vice President and Chief Operating Officer of McArthur Construction Company, a woman owned business incorporated in 1989. The company holds an unlimited license in North and South Carolina for Highway and Public Utilities. Responsibilities include daily management, business development, quality and safety, and general operations. I personally have over 30 years experience in all aspects of site construction.

##### **Florida Carolina Construction, Florida and Western North Carolina – 1982 to 1986**

Project Superintendent for all phases of site development and commercial construction.

##### **John McArthur Farms, Wakulla, NC – 1967 to 1982**

General Manager for a 2000 acre 'under cultivation' commercial agricultural farm. Developed an innovative 'no till' farming practice that resulted in being chosen to represent NC as Farmer of the Year. Traveled extensively in 1971 teaching and lecturing on the 'no till' practice.

##### **The Honorable Charlie Rose, United States House of Representatives – 1972 to 1976**

Agricultural Advisor to US  
Congressman Charlie Rose.
